

SPEEDI-EDGE SU

The Diamapro Systems Speedi-Edge SU is an affordable edge solution for smaller surface preparation projects. Simplifies working with edges, saving time and labor costs. It is designed to operate while standing, avoiding wear on knees and back. It's light weight helps reduce user fatigue and is easy to transport.

BENEFITS

- Perfect for edging and small grinding jobs
- Guide handle allows control and pressure application to the center of the tool
- LED headlight to easily see the grinding area
- No more back and knee pain from kneeling on the floor to hand grind
- Connects to any SVX series dust collector
- Comfortable and user friendly
- Convertible shroud for easy grinding against a wall

SPECIFICATIONS
