

The Diamapro Systems' Demon Can Do It All: Grinding, Screening, Polishing & Maintenance

The Diamapro Demon is a single speed machine that performs Xtra Heavy-Duty scrubbing, stripping and surface preparation on all hard floors. Utilizing a floating head design which insures 100% pad contact at all times. Being able to disconnect the handle from the running unit allows for easy storage.

Easy to disassemble for storage or transportation. Adjusting head pressure is made easy with 4 removable 17lb weights.

Use with Diamapro Systems SVX2-A

DEMON FEATURES

- Handle and carriage is easily removable for transport and storage
- Low current draw
